PRAC Chair Silvia Giraudo called the meeting to order at 2:00 pm. A quorum was present.

Katie Chapman updated PRAC on the status of 2018-2019 program reviews and took questions about current reviews.

PRAC Chair Silvia Giraudo explained the spring committee process and timeline.

Silvia Giraudo asked for feedback on the program review process and suggestions for improvement.

Committee members noted that the SLO evaluation rubric had changed from year to year and that units needed clear and consistent expectations.

It was noted that the rubric was also being used for evaluations by the new director of assessment in the OVPI and should be stable moving forward. The director will also follow up program review orientations to discuss and support assessment expectations for programs undergoing review.

Katie Chapman presented information items that will be the next steps in the program review process and information on the 2019-2020 program reviews.

Silvia Giraudo adjourned the meeting at 2:33 pm.
