

Report to University Council from the Statutes and Bylaws Committee
Elizabeth St.Pierre, Chair
November 13, 2020

The Statutes and Bylaws Committee met 4 times during 2020 Fall Semester on August 25, September 14, October 12, and November 16 and unanimously approved forwarding 2 revisions to the Bylaws to the Executive Committee. The first revision is to add an attendance policy and the second is to allow standing committees as well as the University Council itself to call special meetings. The committee has taken other suggested revisions under advisement and will continue to collect information about them during Spring Semester.
