

SGA University Council Reports: September 29th, 2021

1. Introduction
 - a. Carter Marks, SGA President, 4th year Management and Economics Major
2. Updates
 - a. Students are frustrated with the bus routes, and we have been working with Auxiliary services to better the student experience relating to bus routes. We quickly realized the staffing shortage that many departments are facing right now, and we have been pushing student employment opportunities through our social media and personal interactions to help alleviate the problem
 - b. We had our first Organization Wide meeting on September 21st and heard from Vice President Victor Wilson. Including first year programs, we have 200 students within SGA, and we are fully prepared to connect with other students and translate their needs to this council.
3. Conclusion
 - a. My email is john.marks@uga.edu . Please reach out if you are looking for student input and we can connect you with a student who can help contextualize the student experience.
