Date: February 15, 2022

School/College: Mary Frances Early College of Education

Department/Division: Career and Information Studies

Program (Major and Degree): Learning, Design, and Technology (Ed.S.)
with an Area of Emphasis in Instructional Design and Development

Which campus(es) offer this program? Athens and Gwinnett

Deactivation or Termination? Termination of the Gwinnett campus only

Proposed Effective Date: Fall 2022

Last date students will be admitted to this program: No students are enrolled on the Gwinnett campus

Last date students will graduate from this program: No students are enrolled on the Gwinnett campus

1. State the reasons for terminating the program, and provide copies of any relevant documents.

This major is no longer active on the Gwinnett campus. It has not admitted new students in several years, and there are no plans to do so in the future.

2. What will be done to minimize the impact of the termination of the program upon the personal and professional lives of the faculty and staff involved? Include specific information on: a) how faculty and staff will be notified of the termination, and b) how faculty and staff will be reallocated.

Not applicable, as the program is not currently active on the Gwinnett campus. There are no faculty assigned to, nor students enrolled in, this program on the Gwinnett campus.

3. What will be done to insure that termination of the program does not weaken other programs (graduate, undergraduate, or professional) for which the department may be responsible?

Not applicable, as the program is not currently active on the Gwinnett campus. There are no faculty assigned to, nor students enrolled in, this program on the Gwinnett campus.
