

## **Faculty Affairs Committee Report**

University Council

28 September 2022

The Faculty Affairs Committee met twice since our last update in April 2021, most recently on May 5 and Aug 24 2022. The focus of these meetings has been the Board of Regents changes to the Annual Evaluation and Post Tenure Review policies including addition of student success activities. We received nine documents the end of spring semester from the Working Group on Faculty Evaluation Policies and Practices (FEPP) that was tasked to align UGA policies with the new USG policies. The FAC reviewed, revised, and moved all documents to EC and are now before you today. The FAC wants to thank the FEPP Working Group for all their hard work on behalf of UGA.

This concludes the report from Faculty Affairs.
