The Full University Curriculum Committee met on October 21, 2022. Since the last Report to University Council, the committee approved 142 new courses and 295 course changes.

The committee approved the following proposals, which were forwarded to the Executive Committee of the University Council for consideration:

- Proposal for a new online Graduate Certificate in Chemistry, Manufacturing, and Controls
- Proposal for a new online Graduate Certificate in Drug Safety and Pharmacovigilance
- Proposal to offer the existing Master of Public Health (M.P.H.) online
- Proposal for a new major in Workforce Education (B.S.Ed.)

The committee considered a proposal for a new major in Animal Biology (B.S.A.). Concerns about the major name were raised, and a friendly amendment was proposed to change the name to Animal Biosciences (B.S.A.). A motion was made for the friendly amendment and was unanimously

approved. A motion was made to approve the amended proposal for a new major in Animal Biosciences (B.S.A.), but there was no second. The proposal was tabled until the next meeting so it could be revised to the new name, and committee members could discuss the revised proposal with their schools/colleges.

The committee considered a proposal for a new Policy 4.06-6, University-Sponsored Activities, which was approved and forwarded to the UCC by the Educational Affairs Committee. After much discussion, a motion to approve was made and seconded. A vote was taken, and the motion failed. The proposal was returned to the Educational Affairs Committee.

The Provost provided information to the committee about the USG review of programs with low enrollment numbers and low numbers of degrees conferred.

The following information items were presented to the committee:
