## **Staff Council Update – March 2023**

The UGA Staff Council along with the VP for Finance & Administration's Staff Representative Group hosted the 4<sup>th</sup> annual Staff Resources Fair on Tuesday, March 7. This networking event allowed staff members the opportunity to explore resources available to employees throughout the UGA community. The resource fair had more than 35 exhibitors this year, twelve sponsors and engaged over 500 employees. It also provided the opportunity for staff to interact in-person with our council members and bring renewed interest to the council.
