

Student Government Association
UNIVERSITY OF GEORGIA

University Council Remarks: Wednesday March 20, 2024

Thank you faculty, staff, campus administration, and President Morehead.

- It's hard to believe that it's been a year but this will be my last official report before introducing my successor.

We had high interest in elections with three executive tickets seeking office and an incredibly high number of senate candidates which was **validating all of our visibility work** we have been working on this past year.

Recent Projects

- Selected Spring Graduation Speaker
- Dawgs Day at the Dome with President Morehead and OGR (Kevin and Blake)
- Engage Program had 120+ applicants for 20 spots
- Due to 100 orgs in 100 days, we've allocated more money than ever before.
- Adam Fouche and Dean Atkinson helped us automatically opt each student into emergency text messages.
- Meeting with VP Pagnattaro regarding new course options for students given feedback we received.

Nothing we do as the Student Government would be possible without all of you and we feel as if the seat at the table we have is a privilege. Thank you.
