

Continuation of SGA Initiatives

1. Fresh Express
 - a. There has been a new marketing campaign that has been implemented this semester and there have been several other significant improvements this year. I personally look forward to seeing the growth of Fresh Express in the following years.
2. Professional Clothing Closet
 - a. Reached the milestone of completing 1000 student orders, but now we are shifting our focus to 1250 by the end of the semester.

Recent SGA Events/Initiatives

1. Student Alumni Council and Student Government Association Social Event
 - a. This was the event that was mentioned at the last University Council, but we have had some positive conversations with SAC following the event. We are connecting the new executive teams together in order to plan several major events in the next year.
2. UGA Mentor Program Panel
 - a. We have planned an event with the UGA Mentor Program where several alumni that were involved with SGA during their undergraduate career will be a part of a panel and participate in a networking event with active SGA student representatives.

Greater Access to Resources for Students

1. Bus Route Review
 - a. We have had several SGA representatives working with TPS in order to review some of the bus routes that we fill could be made more efficient for students
2. Beach Volleyball Court Initiative
 - a. This initiative originated in Engage, one of FYP programs. We have tabled and polled many students and we had 200 positive responses. This will be a continued initiative in the next administration.
