### **Election Update**

At the April meeting of the Staff Council, we conducted our elections of Executive Committee officers and staff positions on University Council committees. I'm happy to announce the following results:

- Wendy Holland, Senior Administrative Specialist in the Warnell School of Forestry, has been elected to the position of Coordinator.
- Mary Formo, Director of Academic Advising and Curriculum Support in the College of Agriculture and Environmental Sciences, has been elected to the position of Secretary.
- Jennifer Leyting and Ashley Weed were elected to continue in the roles of Vice President and Treasurer, respectively.
- All available staff positions on the University Council standing committees have been filled.

We have another election in June at which point the At-Large members to the Executive Committee of the Staff Council will be decided.

### **Meeting and Event Updates**

We are heading to Tifton for our May 7<sup>th</sup> meeting, which will be conducted in the NESPAL building there and via Zoom. I look forward to reporting back in the next term of the University Council on our branch campus visits occurring over the summer.

As a reminder, the Staff Council meets on the first Wednesday of every month, except January and July when we meet the second Wednesday. Our meetings are open, and you are welcome to attend.
