April 23, 2025 University Council | John Neely SGA Initiatives

Initiatives

- Enhance cybersecurity and protect student information by creating a system for the secure transfer of student tickets
- Increase classroom material affordability by advocating for low- to no-cost classroom materials
- Work with Student Care & Outreach and Auxiliary Services to address food insecurity through:
    o Connecting the Tate food pantry to a subsidiary East Campus location in Joe Frank through the SGA Fresh Express program
    o Advocating for lower minimum meal swipe packages for meal plan affordability
    o Integrating a micro-donation round-up system at the bookstore to support food insecurity programs
- Continue current SGA legacy projects such as the Professional Clothing Closet and Food for Fines events.
