Staff Council Report

Date: February 11th, 2026

Presented by: Rebecca Mayo, Staff Council President

Updates

The UGA Staff Council continues its mission to provide a sounding board for staff to the university administration. This advocacy not only generates opportunities to influence policy but also creates community for university employees. We are continuing to engage with our colleagues at official extended campuses as well as around the state.

We have had speakers at every meeting in the last year from varied areas of campus, and we are grateful for all the participation. Most recently we heard from Accessibility and Testing as well as Founding Dean Nuss and Associate Dean of Admissions Steele from the School of Medicine. These speakers and many like them enhance our network and grow the connection staff have to the impact of our work.

We recently held an election to fill a vacated seat on the University Council. All staff representative seats to the University Council are filled.

The Staff Resources Fair will be Tuesday March 10th from 10AM to 3PM in Tate Grand Hall. This event connects staff to available resources and opportunities at the university.

Recordings of Staff Council meetings are available on Kaltura.
The next meeting of the Staff Council will be on March 4th at 2:30PM.
