The committee approved the proposal to offer a minor in French Studies.

The committee approved the following Areas of Emphasis:

Area of Emphasis in Spanish Linguistics under the major in Romance Languages (Ph.D.)
Area of Emphasis in French Studies under the major in French (A.B.)

The committee approved a request to change the name of the minor in Interdisciplinary Cognitive Science to Cognitive Science.

The committee approved a proposal to add the E suffix for extended education courses. Currently approved courses can be offered online without additional approval. The addition of the E suffix will allow us to identify and include in reports to the Board of Regents courses that are always offered more than 50% online or through distance education. The committee approved the proposal to modify the individual course syllabus to include additional information for courses that have the E suffix. The committee also approved a proposal to ask for technology information at the time courses are loaded for registration. This will allow the university to report this information to the Board of Regents as required.

The committee approved the following new prefixes:

INDO – Indonesian
URDU – Urdu
AMHA- Amharic Studies
