

For the final motion of President Michael F. Adams' 16 year tenure in presiding over the University of Georgia University Council, the Executive Committee moves that we adjourn with the recognition that these 80 Council sessions have resulted in:

the creation of

17 departments

21 centers

18 institutes

5 schools and colleges

and the approval of proposals for

26 minors

39 majors for Bachelor degrees

62 Certificates

71 Masters degrees and

20 Ph.D. degrees

We note also that of the 668 motions forwarded from these meetings, 4 have been vetoed, 7 marked as received, and 657 will have been approved.

This motion comes with best wishes and profound appreciation for his dedicated and exemplary service.
