Professor David Shipley
Chair of the University Curriculum Committee

Dear Professor Shipley:

The Terry College of Business has requested that the Law School rename its proposed master's degree "Master in the Study of Law." The purpose for this request is to avoid any confusion between the Law School's proposed master's degree and the Terry College's undergraduate certificate in Legal Studies. The Law School accepts the Terry College's proposal as a friendly amendment, an entirely cosmetic change not affecting the substance of the proposal.

On behalf of our respective schools, we are excited about this degree, which will be of great benefit to the students and the University. Prompt approval by the University Council will help to ensure that the first class can be enrolled in Fall 2014.

Sincerely,

Charles B. Knapp, Dean
Terry College of Business
