

Graduate Student Association

University Council Report

September 24, 2014

- ❖ Introduction
- ❖ Graduate Student Association Rebuilding
 - Goal of Graduate Student Association: Restructure the Graduate Student Association into an organization that is structurally designed to actively engage graduate and professional students in every major policy affecting graduate and professional students at the University of Georgia
 - Short term Goal: Structure for this year
 - Organize meetings around the University Council
 - Recruit representatives from every college and school
 - Long term Goal:
 - Update the GSA Constitution to reflect the desires of graduate students throughout the University
 - Enhance the collective voice of graduate and professional students into a more prominent role – reflecting the actual importance of the research, study, and support we provide the University of Georgia
