Re: Report to University Council

The University Council Committee on Intercollegiate Athletics had its first meeting of the year on October 13, 2015. Jennifer Samp was elected Chair of the committee earlier in the semester. During the October 13th meeting, the committee reviewed the charge of the committee and then we heard an engaging presentation from Ted White, the Senior Associate Athletic Director for Student Development about the academic advising and career development support services provided to student-athletes at UGA. The next meeting of the committee will be in January, 2016.
