The Educational Affairs Committee last met as a full committee on October 19, 2015. Since the last report to University Council, the Petition Subcommittee met twice and reviewed 54 appeals. Of these appeals, 37 were approved and 17 were denied.

The committee considered a proposal from the Registrar to increase the number of credit hours a student can register for without receiving an override. After a brief discussion, the proposal was not approved.

Melody Kesler from the Office of the Registrar presented an overview of the student withdrawal and audit registration processes in Athena so the committee could assess how students might make errors in registering and withdrawing from courses.

The committee requested that an email be sent in future semesters a week before the withdrawal deadline to ArchNews reminding students to check holds in Athena and make sure that any withdrawals made before the deadline are submitted completely.

The committee also requested that programming be added to Athena to automatically generate an email to students each time a withdrawal is successfully submitted in future semesters.

The committee considered possible changes to the appeals process and voted to disallow appeals based on claims of computer-related issues and administrative holds. Dr. Mauricio stated that he is working to

Committee on Facilities, Committee on Intercollegiate Athletics, Committee on Statutes, Bylaws, and Committees, Committee on Student Affairs, Curriculum Committee, Educational Affairs Committee, Executive Committee, Faculty Admissions Committee, Faculty Affairs Committee, Faculty Grievance Committee, Faculty Post-Tenure Review Appeals Committee, Faculty/Staff Parking Appeals Committee, Human Resources Committee, Program Review and Assessment Committee, Strategic Planning Committee, University Libraries Committee, University Promotion and Tenure Appeals Committee

An Equal Opportunity/Affirmative Action/Veteran/Disability Institution

update the appeals website to be more transparent to students.

The committee discussed retroactive hardship withdrawals and voted not to impose a deadline for these appeals.

We have 2 information items, which are required to be presented to Council by policy. They are the 2014-2015 Hardship Withdrawals Annual Report and the 2014-2015 Academic Honesty Annual Report. Dr. Alan Campbell, Director of the Office of Student Support Services is present to answer any questions from members about hardship withdrawals and Ms. Deborah Bell, Director of Office of Academic Honesty is present to answer any questions about the Academic Honesty Report.

Respectfully submitted,

Rodney Mauricio
