

Student Government Association Report

May 3, 2016

- Recent SGA election and recap of the historic voting numbers (most undergraduate votes in history)

- We're excited in the 29th Administration to be working with the faculty, administration and students to continue the progress we've made

- Thanks to Johnelle and rest of 28th for their incredible work

- Our platform: health, resources and transportation

- SGA location and partnering with faculty and admin on initiatives

- Thank faculty and administration for its service and willingness to listen to the student voice; we are grateful to be at an institution that truly does care about its students; looking forward to continue working together
