March 18, 2010

The committee discussed internship courses and the inconsistency in the amount of information provided on the course application for internship courses. The committee agreed that certain basic information concerning grading and hours required should be included on the application. Committee members will submit draft questions that could be included in the course approval process to the entire committee, and the Full University Curriculum Committee will consider and vote on these suggested questions online.

Respectfully submitted,

David E. Shipley, Chair
University Curriculum Committee
