

## SGA University Council Report

- Student Advisor Council and Board of Regents events
  - Met with the student body presidents from all USG institutions
  - Discussed issues that are facing students across the state
  - Able to compare solutions and think of innovative ways to address them here at UGA
- It's On Us – White House Initiative
  - SGA Resolution 27-04 stated we would take an active role in raising awareness for sexual assault and doing our part to end it, so we have partnered with other organizations to do so
  - From Nov. 17<sup>th</sup>-21<sup>st</sup> we have events every day ranging from self-defense, risk aversion, and bystander intervention
  - If you haven't seen the video released by the EOO, check it out
- Overall Platform Progress
  - We can comfortably say that we have completed 2/3 of our platform
  - Internal reform was completed successfully and we are running efficiently and effectively
  - We are garnering far more student support than in the past
    - Utilizing ArchNews
    - Shout Week – literally hundreds of responses to our tabling events across campus.
  - The last third is the hardest, and we knew that, but we are already making significant progress on all of those platform points
    - If only we had more time
- Resolutions that have passed since the last UC
  - In addition to the It's On Us initiative...
