Graduate Student Representative

The Full University Curriculum Committee met on October 9, 2013. Since the last report to University Council, the committee approved 111 new courses and 61 course changes.

The committee approved the following proposals which have been forwarded to the Executive Committee of the University Council for consideration:

Proposal to offer the existing major in Workforce Education (M.Ed. and Ed.S.) as external degrees on the Griffin Campus

Proposal to offer the existing major in Human Resource and Organizational Development (M.Ed.) as an online program

Proposal to offer a dual degree in Business Administration (M.B.A.) and Health Policy Management (M.P.H.)

Proposal to offer a new Post-Baccalaureate Certificate in Classical Languages (Online)

The committee approved a request to terminate the Area of Emphasis in Consumer Services and Fashion Marketing under the major in Family and Consumer Sciences Education (B.S.F.C.S.).

The committee approved a request for a new Area of Emphasis in Interiors, Fashion and Textiles under the major in Family and Consumer Sciences Education (B.S.F.C.S.).

The committee approved a request for a new Area of Emphasis in Digital Marketing under the major in Marketing (B.B.A.).

Dr. Malcolm Adams from the Department of Mathematics presented information regarding MATH 1113E, Precalculus, as an online course to be offered in conjunction with other USG institutions.

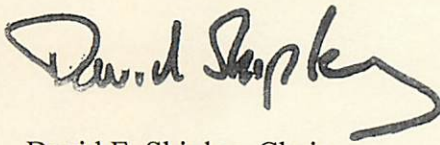

The committee briefly discussed the minimum requirements for courses with variable credit. Additional wording will be added to CAPA regarding the amount of work a student is expected to complete for each hour of credit.

The committee briefly discussed the wording in the syllabus policy regarding the availability of syllabi.

The following information item was presented to the committee:

The General Education subcommittee approved the requests to include the following courses in the list of courses that satisfy the General Education Core Curriculum:

- ASTR 1110, Introductory Astronomy for Majors I, approved for Area II, Physical Sciences
- ASTR 1120, Introductory Astronomy for Majors II, approved for Area II, Physical Sciences
