---------------	---

1. The Chair called the meeting to order at 4:00pm
2. The Committee had a productive conversation about the process by which they reviewed the KPIs for Strategic Direction I and decided to continue with the defined process for the following two Strategic Directions.
3. The Chair will also work to analyze and categorize comments/questions of the Committee for inclusion in the report to UC at the end of the academic year.
4. The Chair adjourned the meeting at 4:40pm.
