---------------	---

1. The Chair called the meeting to order at 4:05pm.
2. The Committee discussed the current process of asynchronous review of key performance indicators (KPIs) summary statements and agreed to continue the process for the remaining Strategic Direction.
3. Committee members suggested standardizing the language and format of the summary statements further, which was agreed upon by the committee.
4. The Chair presented preliminary results of a thematic qualitative analysis of KPI comments and questions. The committee discussed the results and provided feedback to strengthen the analysis moving forward with the remaining strategic directions.
5. The Committee discussed the need for a 2-hour meeting in January to collectively discuss the results and make determinations of what to include in its report to the Council.
6. The Chair adjourned the meeting at 4:55pm
