2. To review the dossiers that are required to come before the committee and advise the Senior Vice President for Academic Affairs and Provost in accordance with the University's Guidelines for Appointment, Promotion and Tenure.

C. Procedures

1. The responsibility of the University Appeals Committee is to make its best judgment as to (1) the existence of material failures, inaccuracies or procedural irregularities; (2) whether or not these failures, inaccuracies or irregularities significantly impaired an appropriate review of the candidate's qualifications for promotion and/or tenure. At its option, the committee may interview the candidate, the PTU head or the dean, as well as any other individuals who are in a position to provide useful information about the review.
2. *Voting Procedures for University Appeals:* Faculty from the candidate's PTU will refrain from participating in any form of evaluation at all higher levels of review. *Quorum-* Consists of at least two-thirds of the membership. State that a quorum was present in the cover letter. *Abstentions-* No abstentions are allowed. Once a quorum is declared, all members in attendance must vote. Any ballot not clearly marked approve or deny will be considered a "NO" vote. *Recusal-* Only allowed if a conflict of interest exists. Faculty members who recuse themselves are not considered eligible voters and may not participate in the discussion or consideration of the candidate's dossier. *Absentee Ballots-* No absentee ballots are allowed. *Recommendations-* A simple majority vote of eligible voting faculty members present at the meeting. A tie vote of eligible voting members present at the

meeting is considered a negative recommendation.

By a simple majority vote of eligible voters present at the meeting, the University Appeals Committee will advise (with supporting rationale) the Senior Vice President for Academic Affairs and Provost on the following:

1. Whether or not material failures, inaccuracies or irregularities existed for a given candidate; and if so
2. Whether or not these failures, inaccuracies or irregularities appear to have interfered with an appropriate vote on the performance record.
