Minutes

1. The Chair called the meeting to order at 2:00pm.
2. The meeting minutes from the February meeting were not available yet. The committee will receive the meeting minutes from the March meeting and the February meeting following this meeting.
3. The rest of the hour-long Zoom was a discussion of the University's progress on Strategic Direction III. In addition to progress on the Strategic Goals, the discussion topics included conversations about data limitations and the need for better alignment between KPIs and available data, the importance of context for data interpretation, and the need for quality control in data collection.
